

Reference letter

TENSE Group has become our business partner in 2015. They have created our responsive website -- www.biovet.it, based on Wordpress with custom graphic design.

Website is tailored to our customer's needs so they can smoothly access website's content on any mobile devices. Due to advanced CMS Wordpress we can easily manage our website. As a client we strongly recommend TENSE Group services to anyone who wishes to have unique and functional website.

To sum up, all services were done diligently and on time. Therefore we recommend TENSE Group as a reliable and professional company.
